During the 1990s the Company expanded its operations from its headquarters in Alderley Edge by the addition of 2 other regional divisions.

In 1995 the Company expanded into the South-East of England with the formation of **Jones Homes (Southern)** which is now firmly established in the region and noted for the provision of quality housing.

Since its formation in 1996, the name of Cleckheaton-based **Jones Homes (Northern)** has become synonymous with quality of design and construction in Yorkshire.

Newfield Construction, based in Lytham St. Annes, has enjoyed a successful relationship with the Group for almost 20 years and is now a wholly-owned subsidiary, completing numerous developments along the Fylde Coast and throughout Lancashire under the **Newfield Jones Homes** brand.
