

LANDSCAPING TO ENHANCE EACH DEVELOPMENT

The dedication of large areas of open space for public use and the implementation of substantial landscaping schemes not only enhance each development but also provide a significant contribution to the surrounding neighbourhood.

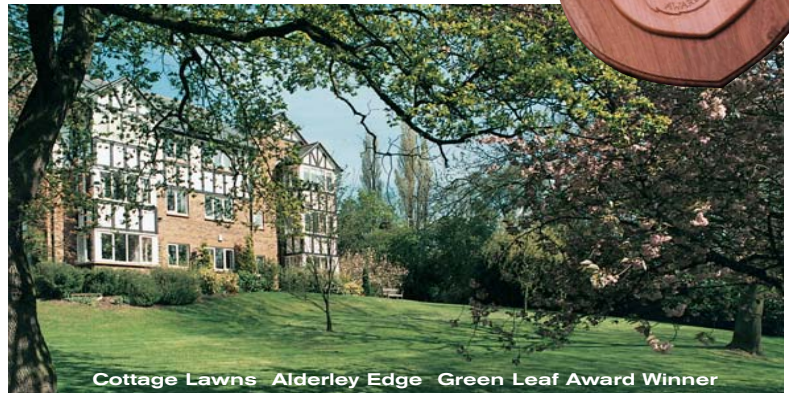

The Villas Macclesfield Green Leaf Award Winner

Jones Homes's achievements have been recognised over the years by the National House Building Council (NHBC) in its 'Pride in the Job' Awards, the What House? Awards, the combined NHBC/DoE/RIBA Housing Design Awards and several Green Leaf Awards for commitment to conservation and the environment.

Jones Homes has also received the coveted Tree Council Award for demonstrating good practice in the conservation of mature trees at The Villas in Macclesfield, Cheshire.

The continuing success of Jones Homes can be attributed not only to its portfolio of award-winning designs but also to the experience of its management team, many of whom have been with the Company for over 25 years.
